

Kiosk Outdoor Drive Thru

Specifically designed for the drive thru experience. This kiosk allows a patron to select order and make electronic payment without leaving their car.

Robust Full HD Multi-Touch Display

Full HD 27" touch screen utilises touch technology with 10 simultaneous touch points. The touch monitor is commercial quality which allows for extended 24/7 use and extreme reliability. The display is protected with scratch resistant robust glass.

Boasting an in-built PC Intel® Core™ i5 processor, 8GB RAM, 128GB SSD, LAN, pre-loaded Windows 10 IOT.

The Outdoor Drive Thru's sleek design redefines the modern kiosk with its timeless good looks. Steel enclosure powder coated classic charcoal colour with a sturdy base.
